

SEPARATISTS NOW HOLD GROUND BUT MAKE SMALL GAIN

Joseph Matthes Member of Directory Now in Flight

(By the Associated Press.)
COBLENZ, Oct. 24.—The position of the Separatists at the close of the fourth day since the proclamation of a Rhineland republic at Aix La Chapelle is hardly improved. They nominally are holding about one-fourth of the territories under foreign occupation. Today however, was marked by the Republicans' most signal and costly victory, at Crefeld where 12 Separatists were killed and 50 wounded, and the peaceful occupation of Mulheim and a few villages, in the vicinity of Trier (Treves).

In many instances the occupation has been limited to the confines of the city halls with the garrisons on the defensive, fighting not only for the existence of the republic but for their lives.

The failure of the Separatists at Mayence and Coblenz, which were counted upon as certain adherents the aimless and desultory offensives at various unimportant centers, the increasing effectiveness of the reactionaries' defenses and the evident haphazard plan of a poorly organized party intent with internal dissensions is a prematurely launched movement, make it appear doomed to failure.

less a change of attitude occurs on the part of the troops of occupation which is not likely.

Matthes in Flight

With Joseph Matthes a member of the Separatists directory for a Rhineland republic in flight from his chosen capital after that city had declined with more than thanks the honor thrust upon it, Coblenz tonight is the etheral capital of a phantom state. During

Trier, Duisburg and Mulheim are the only cities of any importance in the hands of the Separatists this evening although they are also remaining in nominal control of Wiesbaden and Bonn, both of which are under martial law with the French troops keeping order.

La Chapelle, with the Separatists thoroughly whipped in the execution of their movement. The intervention of French troops at Colenz and Mayence proved the salvation of the lives of the local leaders in the attempt to inaugurate a republic.

Crefeld fell into the hands of the Separatists at 2 o'clock in the afternoon. They disarmed the police and issued strict orders to prevent disturbances. The order declared that anyone showing himself at a window would be shot. Mounted Separatists were policing the city.

The Oberburgomaster of Creil surrendered to the Rhinelanders. The Belgian authorities have arrested 255 armed Communists at Muenchen-Gladbach. Rhinelanders from Duisberg are marching on Hamborn, a great communist center.

SANTA BARBARA, Calif., Oct. 24.—Excavators representing the Smithsonian Institution today uncovered two skeletons at Burial Mound in this city which carry the human records far back beyond the dawn of history on this continent.

TWO MORE BODIES FOUND ON BEACH.

Pensacola, Oct. 24.—Two more bodies have been found on Pedro Beach, near here by fishermen and buried where discovered, according to a story told Mrs. Walker, who with her husband conducts a fishing lodge on the dido Bay. The bodies were thrown to have drifted ashore from the wrecked schooner *Be Fields*. The fishermen who found the bodies reported they were far decomposed that it was almost impossible to say whether they were white or colored.

A GOOD RECORD
MR. OSBORNE'S ONLY
CHANCE FOR REWARD.

J. E. Osborne has not conducted
an active campaign for re-elec-
tion as a member of the county
board. This however, does not
mean that Mr. Osborne does not
want the office. In fact, because
of the handsome primary endorse-
ment given him, Mr. Osborne
has said that he would like to
have the opportunity of serving
for another term simply for the
reason that he believes that he
can give better service to the
county after three years' experi-
ence.
With large business interests
of his own to give attention, Mr.
Osborne is nevertheless willing to
take all the time that the busi-
ness of the county requires. This
effort means nothing to him other

than an opportunity to serve and
he can profit only as he does well
for the county and adds to his
own reputation as a good business
man and a high class public offi-
cial.

SENTIMENT FOR
OAKLAWN.
A well organized campaign is
under way to emphasize to Mor-
gan county voters that operation
of Oaklawn sanatorium should
not be abandoned. It is admitted
that the institution has not meas-
ured up to all expectations, but
there is also recognition of the
fact that to close down the sana-
torium now would put an end to
a very important feature of public
health work and at the same time
mean a great shrinkage of prop-
erty values. The sanatorium
building would not be usable for
other purposes without great ex-
pense.

With sentiment seemingly so
strongly in favor of the mainte-
nance of the sanatorium, the real
question will be just how the
sanatorium shall be brought to
the desired state of efficiency and
just how it is to be satisfactorily
financed.

The securing of patients from
other counties either on a per
capita basis or thru direct county
interest in the sanatorium can no
doubt help materially in this mat-
ter of finance.

AFTER FIFTY YEARS.
Fifty years of service in educa-
tional work is an unusual record.
It has been given to Miss Frances
Wood to serve thru that long pe-
riod as a member of the faculty of
the State School for the Deaf, and
to maintain thru the years full
efficiency. It would not have
been possible to have made such a
record without both unusual physical
and mental qualifications, to-
gether with enduring devotion to
the task.

Recognition of this remarkable
period of service was given by the
teachers of the State School for
the Deaf at a reception Tuesday
night, when Col. O. C. Smith and
W. S. Camp, speaking on behalf
of the teachers, voiced something
of the sentiment expressed in
these lines:

Ability in her work, a remark-
able fitness of spirit and poise
seldom equalled, give Miss Wood
her own particular place not only
among the teachers of the School
for the Deaf, with whom she has
been so long associated, but also
among the people of Jacksonville
her home city.

REAL ENFORCEMENT
Almost everywhere there is ex-
pressed profound satisfaction with
the declaration of the governor's
conference for full co-operation
with President Coolidge in the en-

forcement of prohibition. The
chief executives of the states and
the federal government, jointly
charged with the execution of the
Volstead Act, are now both com-
mitted to energetic action. If
state and federal governments go
ahead on this basis, working har-
moniously and supplementing each
other's efforts, prohibition will
come nearer enforcement than it
has so far.

There is really nothing else for
public officials of any class to do,
if they are honest, patriotic and
intelligent. There is almost uni-
versal agreement that the 18th
Amendment represents the will of
the nation and is destined to
stand. The only real disagree-
ment is regarding the amendment.
While that is the law of the land,
there is a growing realization that
it must be enforced. It will be
time enough to discuss possible
modification of it when the reign
of the bootleggers is over.

THE CHILDREN'S
AMENDMENT
What does the public think of
the proposed child labor amend-
ment to the federal constitution?
The National Child Labor commit-
tee believes that popular opinion
on this subject is favorable to the
amendment. It bases its belief
on the fact that newspapers in
general appear to favor it.

Although the committee has
not been seeking statistics on
this subject and has therefore
very incomplete figures, it finds
that there are in its offices spec-
ific record of 125 newspapers de-
finitely favor a child labor amend-
ment; five which do not object
to it strongly, but consider other
methods of regulation adequate;
and only nine which are unalter-
ably opposed to it.

Interested by these casually re-
quired figures, the committee is
trying now to learn the exact ex-
tent of the newspaper approval of
this proposition. If the press is
the "voice of the people," as
most of us believe, then its back-
ing of this legislation is a hope-
ful sign.

LOWER PRICES?

(NEA)
The cost of living possibly may
get quite a jolt downward as a re-
sult of the present condition of
the oil industry.

Things were going along merrily,
prosperously, in the oil indus-
try, when suddenly the drillers
struck enormous gushers in Cali-
fornia. The oil from these wells
is exceptionally high in gasoline.
California now is producing 40
per cent—two fifths—of the oil
produced in the United States.

Very fine for the owner of the
California well. But the owner
of the well in other states is in a
tight corner. His prices, on oil
yielding less gasoline to the bar-
rel, have been slashed time after
time. The result is that the pro-
ducing end of the oil business in
general is in worse shape, as far
as profits are concerned, than
any other big basic industry—prob-
ably worse off than general
farming.

As you probably know, oil pro-
duction is, in the main, separate
and distinct from refining. The
pipe line companies and refiners
let the small man take the
chances at finding oil, then buy his
oil—if he finds any—and set
prices without consulting him.

How can this affect the general
cost of living? Here's how:
There are about 280,000 oil
wells in America, and new wells
are drilled constantly. So the oil
industry consumes enormous
quantities of iron and steel, es-
pecially pipe, also wire and ma-
nilla cables and a great variety of
manufactured goods.

Prices always are about as high
as the buyer can pay. An oil in-
dustry operating on a losing basis,
can't pay former high prices for
supplies.
What'll happen? Unless oil
prices rise again, prices of materi-
als used by the oil industry will,
by competition, fall.

Once started, there's no telling
where such a drop would stop,
nor how many commodities it
would affect.

BERTON BRALEY'S DAILY POEM
ENOUGH
BY BERTON BRALEY
I WANTED to wander
"Way out over yonder,"
Beyond the far rim of the sea;
The breezes were calling
With voices entrancing,
The wide world was summoning me.
So all by my lonely,
Just me—and me only—
I traveled, and traveled some more;
But after a season,
I found, for some reason,
The wanderer's trail was a bore.
STRANGE oceans and peoples,
Lands, temples and steeples,
I viewed them with lack-luster eyes;
Not one of them thrilled me,
And home sickness filled me,
A sickness I couldn't disguise.
NO more wander trailing,
No thank heaven I'm sailing
Again to my own native loam;
My roaming is over,
I've failed as a rover.
Thank heaven I'm on my way home!

LOCAL ODDFELLOWS
AT ASHLAND MEETING
A number of local Odd Fellows
were present Tuesday evening at
a notable meeting of the Ashland
lodge. The Ashland team put on
the work of the first degree for
three candidates, and did it in ex-
cellent shape. The work was fol-
lowed by a session of the Cass
county Odd Fellows association.
Representatives were present
from Beardstown, Virginia and
other points. Those who went
from here were C. E. Williamson,
Ralph Crabtree, J. A. Paschall,
Ellis Henderson and Carl Rich-
ardson.

NO IMPROVEMENT IN
PALMER HUNT'S CONDITION
At last reports from the hospi-
tal early this (Thursday) morn-
ing, Palmer Hunt's condition re-
mained without change. Altho
he was rumored late last night
that he was in a more critical
condition, nothing in the report
justifies this rumor. However,
little change for the better, if
any, can be noted.

COMMUNITY AUCTION
SALE AT WINCHESTER

Was Arranged by Winchester Ad
Club—Other News from Win-
chester and Vicinity

Winchester, Oct. 24—The Win-
chester Ad club held a commu-
nity auction sale Wednesday on
the west side of the public square.
The sale was open to the public
and articles of great variety were
sold without expense to the seller.
Cows, horses, hogs, hay, apples,
household goods, harness and
numerous other articles were of-
fered for sale and brought satis-
factory prices. The sale was not
as largely attended as had been
anticipated but the net proceeds
amounted to between \$400 and
\$500.

The auctioneers were Stanley
Day of Manchester, Joseph Law-
less and Luman Sappington of
Winchester.

Wilson Coultas Injured
Wilson Coultas was severely in-
jured Wednesday morning while
working at the coal mine a short
distance from Winchester. He had
gone down the shaft to superin-
tend the work when a large piece
of slate fell upon him, injuring
his spine. Dr. J. W. Eckman was
called and Mr. Coultas was later
taken to Passavant hospital where
an X-ray picture was taken. It
was found that no bones were
broken, but the full extent of the
injury is not yet known although
it is not thought to be serious.
Mr. Coultas' many friends are
hoping that he will soon be able
to be about.

News Notes
The Scott county circuit court
was again in session Tuesday.
The assumpsit case of Clarence
McCadey vs. Anna Schwoer, ap-
pealed from a justice court, was
heard and verdict returned in fa-
vor of the plaintiff, fixing the
amount due as \$75. Motion was
made by the plaintiff to set aside
the verdict and for a new trial.
Argument on the motion will be
heard at a later date. Court ad-
journed in the afternoon until
Tuesday, Oct. 30.

Miss Lattie Emerick was taken
to Our Saviour's hospital Sunday
for treatment. Miss Emerick had
been greatly improved during re-
cent months but later her condi-
tion became such that the hospital
treatment was deemed advisable.

AGED WABASH FLAGMAN
GOES TO FINAL REST

Patrick Riley Dies Wednesday
Morning Following Stroke—
Was Flagman Here For Thirty
Years.

Patrick Riley, 74, for more
than 50 years a faithful employe
of the Wabash railway company,
passed away at our Saviour's hospi-
tal at 3 a. m., yesterday morning
following a stroke of paralysis.
He was stricken while walking
along the street Tuesday evening.

Mr. Riley had been a flagman
at the North East street crossing
for thirty years, beginning work
there in 1893. He first entered
the employ of the Wabash at
Litchfield, where he served as a
flagman. Some years ago he slip-
ped between two railway cars
while in the exercise of his duties
and suffered the loss of both legs.
After a long period in the hospi-
tal, he was able to resume his
work, but with artificial limbs.
Mr. Riley made many warm
friendships in this city. He was
faithful to his employers and to
his friends, and never was he
heard to complain of the hardness
of his tasks as watchman. He
numbered among his friends J. J.
Kelly, whose home he visited each
week. He is survived by relatives
in New York and Chicago, but
none in Jacksonville.

The remains were removed to
the O'Donnell undertaking parlors
and later to the residence of
Mr. Kelly, 250 Dunlap street.

DOUBLE WRECK ON
WABASH YESTERDAY

Wrecker Meets Disaster While on
Way to Trouble at Bluffs—Is
Second Occurrence of This
Sort.

For the second time in the
past few months, a double wreck
has occurred on the Wabash.
When the Decatur wrecker start-
ed yesterday for Bluffs in re-
sponse to a message that an
extra freight east had had several
cars derailed, it encountered bad
luck about two miles east of
Alexander. The wrecker left the
rails and went into the ditch.

No. 9, the fast westbound pas-
senger, had to be detoured from
Springfield over the Alton to

Murrayville and then back to
main line thru this city. Trains
were able to get by at Bluffs by
using a siding, as the main line
was blocked. The C. & A. sent
a wrecker from Springfield to
aid in clearing up the trouble at
Alexander, and late last night,
the track was cleared for traffic.
No. 15, the evening westbound
passenger was delayed several
hours behind the Alexander
wreck.

After being put back on the
track, the Wabash wrecker pro-
ceeded to Bluffs, where it as-
sisted a Burlington wrecker in
clearing up the trouble at that
point.
Some weeks ago, the Wabash
wrecker had a similar misfortune
at Bates, while running to a
wreck.

A LETTER FROM CHINA

Dr. H. N. Kinnear, physician in the Foochow, China, station in which Rev. L. J. Christian is missionary pastor of the Congregational church of this city, writes to a friend here a letter from which some extracts are given.

In the station hospital he receives patients each morning and prescribes for them and in one year he gave 36,000 such treatments. Some he sends to his wife, a druggist, with prescriptions; some he hands over to students for minor treatments and anything important he cares for himself as he is a skilled surgeon. He says:

Two weeks ago I went to a little party given by the Christians and Hubbards and when I reached the lawn they began singing "Happy Birthday to You." I had forgotten that the day before was my 63d birthday and the gathering was in my honor. All went off pleasantly except my attempt to make a speech in reply to their addresses to me.

I have had a fine time at the hospital clinic the past season; half of my cases have been treatment for the eyes. I tell myself that all the patients in the waiting room are American millionaires and I give them the best I have.

We are having trouble with the boycott of Japanese goods. The students sometimes destroy such goods and at other times make merchants pay exorbitant sums for immunity and the dealers don't dare appeal to the authorities for that would mean still more immunity money.

There has also been trouble in some of the mission schools for young men. The Chinese Y. M. C. A. decided to give an entertainment and some persons inimical brought in four hundred students and broke up the affair.

In the vicinity of Amoy, some distance from us, there has been fighting between the north and south forces. The people are woefully tired of all this and many wish the men stirring up so much trouble might be done away with. You can say one thing for the Chinese; they are far more decent than the reputation of their brigands, officials, armies and student organizations would lead one to suppose. The hope of the future lies in the work of the mission schools, and the training of the rising generation in better ideals and wiser ways of acting.

I am often saddened by the lack of sufficient hospital facilities. The Chinese know nothing of the attention a newly born babe's eyes should have and consequently there are many eye cases coming all the time and some have to be refused because we can't take care of them.

REV. M. L. PONTIUS TO ADDRESS LABOR UNIONS

Rev. M. L. Pontius, pastor of Central Christian church, is to make an address tonight at 7:30 o'clock in the Labor Temple, at which time he will discuss the tuberculosis work in the county. The meeting is being arranged by the Trades & Labor Assembly of the city and is open to the general public.

Various labor unions are now taking an active part in work against the spread of tuberculosis. The Typographical union should be listed as the pioneer among labor unions in this class of work, as this organization has been active in the war against tuberculosis since 1857. A home is maintained for tubercular patients at Colorado Springs at the expense of the Typographical union, and a similar home is maintained at Highland Park near Chicago by the Trainmen's union. The Carpenters union has but recently voted in favor of the establishment of such a home for its members.

The fact that Morgan county is soon to vote on the proposition of abolishing Oak Lawn Sanatorium adds to the importance of tonight's meeting and it is hoped that there will be a large attendance.

CHAPIN WOMAN'S CLUB IN OPEN MEETING

Annual Meeting Held at Home of Mr. and Mrs. Harry Onken Tuesday Evening—Other Chapin News

Chapin, Oct. 24.—The annual open meeting of the Chapin Woman's club was held Tuesday night at the home of Mr. and Mrs. Harry Onken. The lavish use of tall flowers and foliage made the rooms at the disposal of the guests unusually attractive. A musical program consisting of piano numbers by Mrs. J. Z. Fox and Mrs. Fred Schultz, violin numbers by Arthur Perbix with Miss Spink as accompanist and vocal numbers by Miss Amy Onken and Harry Onken with Mrs. Harry Onken as accompanist were very much enjoyed. Various contests and stunts were features of the evening's enjoyment and in a guessing contest H. P. Joy was the prize winner. A delicious supper was served in cafeteria style consisting of the following: creamed chicken, mashed potatoes, gravy, hot rolls, pickles, salad, pumpkin pie a la mode, coffee. Dainty Halloween favors decorated each tray. Guests from out of town were Mr. and Mrs. H. A. Cratz, Concord; Miss Beatrice Teague and Miss Spink of Jacksonville. The committee in charge were entertainment, Mrs. J. F. Burnham, Mrs. H. O. Smith and Mrs. J. M. Fox; supper, Mrs. Howard Tucker, Mrs. Frank Kellogg and Mrs. Alpha Anderson.

AMERICANS WEAR TEN TIMES MORE GLASSES THAN ENGLISH PEOPLE

Specialist Says Greater Use is Couased by Nervousness

CHICAGO, Oct. 24.—Ten times as many persons wear glasses in the United States as in England, population considered. W. T. Holmes Spicer, prominent London eye specialist and fellow of the Royal College of Surgeons told the American College of Surgeons tonight.

Dr. Spicer whose treatment of eyes both during and after the war has made him prominent, explained that one out of every five persons in the United States wears glasses while in England only one out of every 50 wears them, and the proportion on the continent of Europe is still smaller.

He explained that the greater use of glasses in the United States was the result of the nervousness characteristic of the American people, the great use to which they subject their eyes and their anxiety for them.

The cinema, Dr. Spicer declared has a negligible effect on the eyes of those that see pictures, but he said that the strong lights which the motion picture actors

face has a hard effect upon their eyes. England, he said, takes more pains in medical supervision in schools than is taken in the United States.

Webb-Johnson Speaks

A. E. Webb-Johnson, also of London and a fellow of the Royal College of Surgeons, who spoke to the congress tonight on the subject of "Kinks of Surgical Importance," described kinks which the human body must contend and then issued a warning to the surgeons against kinks which confronted them in their profession.

He warned the surgeons against the "acute chronic and mental kinks" in one direction or another which may lead them either to advance odd doctrines or oppose the introduction of any new ideas or methods of treatment.

SEVEN ARTICLES MEET APPROVAL OF LEGISLATURE

(Continued from Page One)

once today for the first time since the impeachment proceedings formally were instituted, by declaring in a public statement that he would officially as he had lived—fighting for orderly and constitutional government, honestly and fearlessly administered. The governor charged that W. D. McBeck, speaker of the lower house had disbursed money reported to have come from the Ku Klux Klan to pay the expenses of members of the house who gathered here to conduct an impeachment investigation of the executive on September 26, only to be dispersed by he state militia acting under the governor's orders.

Earlier in the day a message from the governor was read in the house, asking an inquiry into rumors that a large amount of money now is on deposit in a local bank to be used in influencing the impeachment vote of the legislators.

The governor referred to a recent newspaper article which quoted local Klan officials as saying that \$250, "to be used in the senate" already had reached here.

The house did not act on the executive's message.

Sister Mary's Kitchen

UNTS

If you like rather unusual little dishes for luncheon, these recipes using nuts may interest you.

There is one secret in the cooking of nuts. They should be blanched before adding to any concoction. The skins are indigestible in almonds aside from having an unpleasant taste. English walnuts, pecans and hickory nuts have very thin skins that are unnoticeable in the raw nuts but develop a strong taste when cooked. Even if you don't take time to slip the skins, pour boiling water over nut meats, let stand five minutes, drain and dry between towels. Put in a hot oven for a few minutes to crisp. English walnuts are easy to slip the skins, but hickory nuts and pecans take more time.

By blanching the sweetness of the nut is enjoyed without that slight tongue burning so often experienced after eating nuts.

You will like "nuts on toast." It is "different" and could be used in the chafing dish for a little evening supper or at 1 o'clock luncheon.

Nuts on Toast.

One-half cup English walnuts, two cups canned tomatoes, 2 tablespoons flour, 1 cup chicken stock, 1 egg, 1 teaspoon salt, 1/2 teaspoon pepper, 1/2 cup whipping cream, paprika.

Heat tomatoes and stock to the boiling point and simmer until tomatoes are reduced to a pulp. Rub through a sieve. Make a perfectly smooth paste of flour, salt pepper and a little water. Reheat tomato and stock mixture. When boiling stir in flour paste. Cook

until mixture thickens. Remove from fire and stir in egg well beaten and nuts. Pour over triangular of crisp, hot toast. Drop a small spoon of whipped and salted cream on each piece and serve very hot.

Nut Croquettes.

Two tablespoons butter, 1 teaspoon minced onion, 1 tablespoon flour, 1 cup milk, 1/2 teaspoon salt, 1/2 teaspoon pepper, 1 cup nut meats, 1 cup mashed potatoes.

Put butter and onion in a sauce pan. When butter froths remove onion. Sift flour into butter. Add milk, stirring constantly, and cook until thick and smooth. Add nuts and potatoes and mix thoroughly. Spread on a platter to cool. Shape in small balls or cylinders, roll in corn meal and fry in deep hot fat until a golden brown. Drain on brown paper.

The use of nuts in pie crust is very unusual. Peach or apple pie is delicious with this kind of crust.

Nut Crust.

One-half cup finely ground English walnuts, hickory nuts or pecans, 1 cup flour, 1 teaspoon salt, 4 tablespoons lard, cold water.

Rub lard and flour together with tips of fingers. Add nuts and mix thoroughly. Add water as in ordinary pie crust. Roll and shape for lining the pie dish. Roll and shape covering. Dot the upper crust with bits of lard before putting in the oven. This gives the crust a flaky look. The crusts should be thoroughly baked and appetizingly browned.

ENFORCE OR MODIFY CONFERENCE SLOGAN

WASHINGTON, Oct. 24.—A conference on prohibition enforcement to be held here in January with a slogan of "enforce or modify" was announced today by W. H. Stayton, founder and executive head of the association against the prohibition amendment.

The meeting has been timed, Mr. Stayton explained to allow a "trial period" during which the federal and state enforcement agencies will be given a chance to make good in suppressing nationwide violations of the liquor laws. If by then there should be no improvement in present conditions it will be the object of the conference to call the attention of the American people to the complete failure of prohibition in the United States.

The proposed conference on American principles called by the association for November 2 has been cancelled Mr. Stayton said in lieu of the January meeting.

INCREASED SUPPLY CAUSE OF DECLINE

CHICAGO, Ill., Oct. 24.—An increased supply of approximately 35 per cent of hogs over the corresponding period of last year is the cause of the decline in hog values, Everett C. Brown, president of the Chicago Livestock Exchange said today in answer to Secretary of Agriculture Wallace's statement recently that an investigation would be made to determine if the slump in prices was the result of undue influence.

"Secretary Wallace states that during the past month hog values have declined more than \$1.50 per hundredweight while the price of corn increased 27 cents a bushel," Mr. Brown said. "Based on supply figures compiled by the department of agriculture nearly three million hogs were marketed during that period, indicating a loss to producers by depreciation in value of about \$3 a head, based on an average weight of 200 pounds, or an aggregate sum between \$8,000,000 and \$9,000,000.

"The secretary announces that the department is making an investigation to determine if the slump in prices is the result of undue influences.

"In my opinion, based on reliable information the slump is directly attributable to a false alarm of dollar corn and five cent hogs."

NO KANSAS LAW FOR FLAG SALUTE

TOPEKA, Kansas, Oct. 24.—There is no law on the statute books of Kansas requiring a person to salute the flag. This was brought out today by the attorney general's office to which had been referred the question of the refusal of certain parents in McPherson county to permit their children to salute the flag at school.

McPherson county authorities declare that the parents in question who are of Mennonite faith, protest against the flag observance because of religious scruples.

PROHIBITION ENFORCEMENT

Record of Illinois Dates Back to Time When Admitted as a State

FREEPORT, Ill., Oct. 24.—Prohibition and law enforcement have had a long and honorable career in Illinois dating back to its first year as a state. Miss Helen Hood of Chicago declared here today in delivering her address as president at the annual Illinois convention of the Woman's Christian Temperance Union, marking its fiftieth anniversary. "Admitted as a state in 1818," Miss Hood recounted, "Illinois' first general assembly that same year passed a law against selling liquors to Indians, to minors and upon the Sabbath. The price of drinks was to be 15 cents for the white population. Very heavy fines were attached for violating any one of these sections.

"In the first constitution, 1818, there was a clause that any candidate for the legislature who should obtain votes by bribery, treating with meat or drink, could not hold a seat in either house for two years.

"During the year 1847 there were added stringent amendments, indicating a strong prohibitory sentiment. The 1851 legislature repealed all existing liquor license laws and adopted one whereby no spirituous liquor could be sold in less quantities than a quart and could not be drunk where purchased. This was repealed in 1853. In 1855 a strong prohibitory law was passed by the legislature and submitted to the people in 1856. Large amounts of money were subscribed by the saloon interests to defeat this and a campaign was put on by the dry forces. It drew the heaviest vote that ever had been cast, up to that time, and the law was beaten by a small majority.

Dram Shop Act

"As the result of this agitation some of the leading cities of the state secured prohibition ordinances. In 1877 the Dram Shop Act was passed. In 1888 the Harper High license law was passed. In January 1919 was the ratification of the 18th Amendment in both branches of the legislature. In 1921 the Illinois Prohibition Act, under which we now work, was passed. In 1853 to 1855 many saloons were visited by women, notice being given the keepers that the sale of liquor must be stopped and many bottles, drugs and kegs were taken out and destroyed. There were 'Carrie Nation episodes' of liquor destruction seen at that early date. Temperance sentiment was growing. The Woman's Crusade movement of 1873-4 was said by historians to be one of the greatest the state had ever witnessed. This movement was the forerunner of the organization of the Woman's Christian Temperance Union.

W. C. T. U. Organized

"The Illinois W. C. T. U. was organized October 1874 at Bloomington. Miss Frances Willard, then president of the Chicago Central W. C. T. U., being one of the leaders. Miss Willard became one of its most eloquent and vigorous state presidents, then National, and World's W. C. T. U. president. The state was well organized at this time. Saloons were visited, prayer meetings held and again liquor destroyed. Hundreds of towns were visited by the women.

"In spite of all the difficulties that law enforcement has met with, Prohibition has been a success," Miss Hood concluded. "The tide is now fast rising for a stricter law enforcement program in this country. Springfield, Danville, Quincy, Chicago, all have mayors and officials who are working on lines of strong enforcement. No longer

DEAD MAN IDENTIFIED AS NOTORIOUS OUTLAW

St. Louis, Mo., Oct. 24.—Wilbert R. Grant who with his wife was shot to death yesterday by three gunmen at a road house near here, has been identified by the police as "Des Moines Billy," a notorious bank and train robber and safe blow, it was announced tonight. Grant, according to the police, was arrested at Atlanta, Ga., in March, 1914, on a charge of robbing a train at Trussville, Alabama, and was arrested later in 1914 on a charge of robbing a bank at Des Moines, Iowa. He was sentenced to one year at the Fort Madison, Iowa, penitentiary on the latter charge.

ILLINOIS FARMERS MEET FOR CONFERENCE

Wednesday Class Gave Program

The members of the Wednesday Class met yesterday afternoon with Mrs. John L. Johnson on Lockwood Place. The program for the afternoon included a lengthy and very excellent paper on "Socialism," written by Mrs. U. G. Woodman and read by Mrs. W. A. Bancroft.

Domestic Science Round Table To Meet

The members of the Domestic Science Round Table will hold their first fall meeting at the Duncan Memorial Home on Saturday, October 27th, at 2:30 P. M.

The following program has been arranged for the occasion. An address, by Mrs. W. W. Ramsey of Chicago, State Organizer of the League of Women Voters. A group of songs by Mrs. Abram Wehl.

Each member is permitted to bring one guest since the meeting is to be one of unusual interest and value. The members are requested to present their Woman's Club membership cards when paying dues to the Round Table.

Family Reunion

Mrs. Mary E. Ranson of North Church street held a family reunion at her home yesterday. The guests spent the entire day and Mrs. Ranson served a very lovely dinner at noon.

The following were the guests of the day: Mr. and Mrs. Fred Ranson, Mr. and Mrs. Jim Ranson, Mr. and Mrs. Alec Ranson, Mr. and Mrs. Middleton, Mrs. Mary E. Ranson of Mound Road, Miss Helen Myers and Miss Frances Ranson.

Dramatic Club Gave Banquet

The members of the Illinois College Dramatic Club had their annual banquet Tuesday evening at Colonial Inn, nineteen members being present.

After the banquet there was a business meeting at which Frank Collins, the president presided. It was decided to give a one-act play sometime before Christmas, and there was a discussion of getting club pins. The committee in charge of the banquet had as its chairman Wayne Snowden, who was assisted by Levon Shunk and Betty Palmer.

Guests of the occasion were Professor Ames and Mr. and Mrs. Henry Caldwell.

High School Freshmen Enjoy Weiner Roast

Members of the freshman class at the high school enjoyed a weiner and marshmallow roast at Nichols park Wednesday evening. The boys and girls hiked to the park after school closed in the afternoon and spent several hours with various outdoor amusements. Later a huge bonfire was built and weiners and marshmallows roasted. Altogether it was a very pleasant affair.

I. C. Freshmen Class Party.

The Freshman class of Illinois College will have its annual "feed and dance" this evening. It will begin in the form of a banquet at the Christian church. The toastmaster of the evening will be Alva Beecher, the president of the class. Toasts will be given by George Wetzel, a representative of the Sophomore Class, who will speak in behalf of that class; a toast on behalf of Athletics by Charles Petefish; Freshman boys by John Hopper; Freshman girls by Leata Wiley; Class Spirit by Margaret Peiper and the Class of '27 by Dean Scott. George Oberst will give a violin solo.

After the banquet the members of the class will adjourn to Armory Hall, where the rest of the evening will be spent in dancing. The College orchestra will furnish the music for the occasion.

The decorations and various games which have been arranged will be in accord with the Halloween thought, and a very happy time is anticipated by the members of the organization.

MARCUS SHOW COMING

It is not frequently that theatre goes outside of New York, have an opportunity to see a real Revue of the type of the Siegfried "Follies" or the Winter Garden Shows, because of the very heavy expenses of transportation of such an organization. The Marcus Show and the Greenwich Village Follies are about the only companies that have withstood the heavy cost of transportation for transcontinental tours.

This season the Marcus Show, carrying nearly a hundred people has visited practically every large city from coast to coast, extending their tour as far north as Canada, and south to New Orleans.

The company, headed by Guy Harick the diminutive comedian, is made up of a number of well known artists whose reputations in vaudeville and musical comedy have placed them at the top of the ladder. Such clever performers as Billy Dale, Stanley and Byrnes, singing and dancing comedians: Polly Day, the American Toby Claude, James Cunningham, aggregation of talent seldom seen in on musical organization.

The Marcus Show will be here on Saturday Oct. 27th for matinee and night. Make your seat reservation early.

CHALLENGES SPEECHES OF D. LLOYD GEORGE

PRINCETON, N. J., Oct. 24.

Some of David Lloyd George's American utterances were challenged tonight by Herbert Adams Gibbons, author, war correspondent and formerly American lecturer in France for the French foreign affairs ministry in an address to the staff of Princeton university's daily paper.

"Why should Mr. Lloyd George be continually contrasting Poincaré with Lincoln to the discredit of the former," asked Mr. Gibbons. He then pointed out that the reconstruction problems of Lincoln and the French premier were not similar, declaring that Lincoln had refused to accept anything less than unconditional surrender and continued to throw rebellious states were at the mercy of his generals. He said Lincoln did not adopt a policy of conciliation until the confederates had placed themselves unreservedly in his power.

"To present the French as different from ourselves and accused by a spirit of vengeance, does not appeal to us as a message to a statesman of one friendly nation to bring us concerning another friendly nation. We reject both the analogy between the Civil war and the World war and the insult to our former comrades in arms," he asserted.

YOUTH ARRESTED ON CHARGE OF BURGLARY

Carl Vaughn Prentice in Jail on Charge of Stealing Revolver From Cavanaugh Residence.

Carl Vaughn a youth of the Prentice neighborhood, was arrested by Sheriff Wright's forces yesterday on a warrant charging larceny and burglary. The warrant was issued yesterday morning by Squire A. B. Opperman on complaint of Peter Cavanaugh, also residing in the Prentice vicinity.

It is alleged that Vaughn, on last Friday afternoon about two o'clock, broke into the Cavanaugh home in the absence of the family and took away a revolver and a number of articles of lesser value. Evidence discovered by members of the family showed that someone had endeavored to enter by the front door. The latch had been broken, but as the door was nailed on the inside, the attempt at this point was not successful. However, the intruder gained entrance at the rear of the house. The revolver and other articles were discovered missing.

Young Vaughn was suspected with the crime, and it appears was accused of the same by Mr. Cavanaugh. At first he denied knowledge of the affair, but yesterday morning, it is reported, he went to the Cavanaugh home and returned the gun to its owner. He said, however, that he did not take the gun, but that it was stolen by some companions, whose names he refused to give. He told officers later in the day that he did not know the name of the person who took the gun from the house.

Vaughn's return of the gun to its owner caused Mr. Cavanaugh to procure a warrant for his arrest. Deputy sheriffs made a trip to the neighborhood and arrested Vaughn, lodging him in the county jail here. It is probable that he will be brought before a justice of the peace today.

WOODSON LAD IN UNIVERSITY BAND

George Craig Tells Mother of Life at Champaign—Sister of Woodson Resident Dies.

Woodson, Oct. 24.—Mrs. Lela Craig recently received a letter from her son, George, who is a freshman at the University of Illinois. He reports that he is getting along well with his work, and is a member of the university band. He was a member of the Woodson band. He says that there are 2,000 freshmen at the university.

The Golden Rule class of the Christian church will hold a meeting at the church Thursday afternoon. Mr. and Mrs. Fred Quimby were recently entertained at the home of Mr. and Mrs. Harry Craig.

Mrs. Henry Bell of Manchester was a recent visitor with relatives at Woodson. While here she distributed bills announcing her sale to be held at her home, three miles west of Manchester, on October 31.

George Craig recently received the sad news of the death of his sister, Mrs. Lydia Heiniline, of Rochester, N. Y. Mr. Craig is now the only surviving member of a family of twelve children.

I. C. STUDENTS GET LIBRARY CULTURE

A new feature has been added to the freshmen English course at Illinois college. One day each devoted to library instruction given by Miss Mary Frances Strawn, the assistant librarian. The freshmen are taught the fundamentals of the Decimal classification in library arrangement.

In addition to the class instruction, students are required to hunt books in the library, and compile classifications. Such a course will be of great value to those who take it after they leave college, as it will enable them to do research work without difficulty in any library in the country. This is a new course on the Hill, and it is believed it will prove a valuable addition to the work in English.

LOCAL ELKS IN ANNUAL ROLL CALL

The Jacksonville Lodge of Elks held its annual roll call at the Elks Home last night. There was an unusually large attendance of members. Light refreshments were served following the meeting.

During the business session, it was decided to launch the big membership campaign in the next few days. Efforts will be made to secure a large class for initiation the first of the year. The committee arranging for the series of dance programs reported that the Hallowe'en masquerade hall will be held next Wednesday evening, Oct. 31.

DISTRICT CONFERENCE CLOSED WEDNESDAY

M. E. Ministers and Laymen Take Part in Very Interesting Program

The conference of ministers and laymen of Jacksonville district of the M. E. church was conducted Wednesday morning with a full attendance of the delegates. The conference session began at 8:30 o'clock with the devotions led by Rev. W. S. Phillips. Then came a symposium of talks on subjects especially related to different lines of pastoral work.

H. B. Lewis discussed "How I Begin a New Pastorate." The speaker offered a number of suggestions. A. E. Cole had for his theme "Making the Year's Program," and told from experience how the work had been outlined in churches he has served. Some practical thought were offered by A. A. Luce on the subject "How I Conserve the Time for Study and How I Study."

"The World's Service Text Book" was the theme assigned to W. W. Henry, and others, each of the speakers explaining how he made the book of practical use. C. D. Robertson told of "Church Training Night," and explained the value of this feature. Then came a still more general discussion of "Books We Should Read This Year," and a number of ministers told of books they believed it would be well worth while to study when the opportunity comes.

Dr. Chapman, district superintendent, made the final address of the conference, which was deemed by ministers and laymen alike as unusually helpful.

CECELIA BREEDING IS INJURED BY CAR

Accident Happened Near David Prince School Wednesday Afternoon.

While on her way to David Prince school where she is a student, Cecelia Breeding, daughter of Mr. and Mrs. W. L. Breeding of 1231 Mound avenue was struck by an auto near the corner of Koscusko and West State streets Wednesday afternoon about 1 o'clock, and sustained what at present has the appearance of serious injury.

The young lady was struck by the bumper of a car driven by a Mrs. Buchanan and was drawn underneath the car and turned over several times. Dr. Edward Bowe who resides near where the accident happened was called and the young woman was removed to Our Savior's hospital Wednesday afternoon.

Dr. Bowe stated that although there are apparently no bones broken, the patient is suffering severely from shock and apparently has very serious internal injuries. According to witnesses the wheels of the car did not pass over Miss Breeding but that her injuries were probably caused from being rolled around under the car and being dragged for a distance.

MINNETONKA COUNCIL HONORS MRS. LARSON

Mrs. Laura Larson, Great Pocahontas, was the guest of honor at a banquet given Wednesday evening by Minnetonka Council No. 71, Daughters of Pocahontas. Mrs. Myrtle Tandy presided as toastmistress for the occasion and the different state officers present at the function were the recipients of many appropriate gifts.

In addition to the banquet, which was all anyone could desire, the following program was rendered during the evening: Instrumental solo—Miss Marie Eaton. Reading—Miss Mabel Biggs. Solo—Miss Dorothy Dunavan. Reading—Miss Edith Hull. Group of songs—Miss Vivian Sturgeon, accompanied by Miss Marie Wiswell.

Among the state officers present at the reception were Mrs. Adeline Cassing of Bloomington, Great Wenonah; and Mrs. Anna Burkey, also of Bloomington. Past Great Pocahontas and now Instituting Chief.

FARMERS WONDER HOW FOWLS GOT TIED UP

Chickens Discovered by Hunter Hidden in Corn Field Prove Neighborhood Mystery.

Recently a hunter who was pursuing game on the farm of John W. Fitzsimmons, northeast of the city, was attracted by strange sounds and movements in a clump of grass in a corn field. A rabbit running thru this grass, frightened the chickens that appeared to be hidden there. Investigation showed that the chickens were tied together and were also tied to corn stalks. The grass had been cleverly placed so as to hide them from passersby.

Believing that chicken thieves had stolen the fowls and hidden them in the field until they could safely be taken from the neighborhood, Mr. Fitzsimmons and other residents of the locality notified the county authorities. Sheriff's forces went to the scene and watched one night for the men who might come to take away the chickens, but nothing happened. No more has been learned concerning the strange incident, and residents of that vicinity are puzzled as to who could have tied the fowls in the field. The fowls are claimed by Joe Lidsay, who resides west of Litterberry.

GAVE BIRTHDAY PARTY FOR MRS. OMMEN

A family gathering was held recently at the home of Walter Uhlen, six miles northwest of Chapin in honor of the seventy-fourth birthday of Mrs. J. H. Ommen. The evening was spent with games and music and it was in every way a very pleasant social event. Excellent refreshments were served before the members of the company left the hospitable home.

The company included, in addition to a number of friends, the following members of Mrs. Ommen's family:

EPWORTH LEAGUE PLANS FOR SOCIAL

Members of the Grace church Epworth League are planning a rousing good time next Tuesday evening at their Hallowe'en social. Festivities will begin at 7 o'clock, and there will not be a dull moment during the evening. Members are requested to come in costume, as this will be a masquerade party. Committees in charge of the affair include: Program—William Lewis, Lucile DeSelm, Marjorie Chapman and J. Lloyd Read. Refreshments—Mabel Jordan, Inabel Swain, Wilma Williamson, Edna Bracwell and Leta Groves. Decorations—Edmund Dinwiddie, Helen Hansen, Elizabeth Scott and James Osborne.

FIRE DAMAGES WEST END RESIDENCE

The Wheeler-Sorrells residence 1150 West Lafayette Ave., was damaged by fire yesterday afternoon when the floor under the kitchen range got ablaze. The burning wood ignited several articles in the basement. Firemen succeeded in extinguishing the blaze with chemicals. The several hundred dollars damage was done to the rear of the dwelling.

MRS. ELLSWORTH WELLS IS CALLED BY DEATH

Well Known Local Resident Passes Away at South Main Street Home After Long Illness—Funeral Friday.

Mrs. Ellsworth Wells passed away at 5:20 o'clock yesterday evening at the family home, 1002 South Main Street, following an illness of more than a year. She was for many years active in the church life of the city and has many friends here who will regret her death.

Anna Lehman was born at Decatur on May 10, 1872, the daughter of John and Nancy Lehman. She was united in marriage with Ellsworth Wells on June 16, 1891 who survives her, together with the following children: Cloyd E. Wells, Mrs. Ruth Wells Fair and Elizabeth and Helen Wells. One son, Paul preceded his mother in death some years ago. Besides her husband and children, Mrs. Wells leaves two sisters, Mrs. William Wells of Peoria, and Mrs. Harry Montgomery of this city; and two brothers, John R. Lehman of Galveston, Texas, and William Lehman of Pekin, Ill.

Mrs. Wells has been for many years a faithful and devoted member of Centenary church. Funeral services will be held at 2:30 o'clock Friday afternoon from the residence 1002 South Main street. Mrs. Wells was a member of the Rev. James Caldwell Chapter, D. A. R.

THOUSANDS HAVE KIDNEY TROUBLE AND NEVER SUSPECT IT

Applicants for Insurance Often Rejected

Judging from reports from druggists who are constantly in direct touch with the public, there is one preparation that has been very successful in overcoming these conditions. The mild and healing influence of Dr. Kilmer's Swamp-Root is soon realized. It stands the highest for its remarkable record of success.

An examining physician for one of the prominent Life Insurance Companies, in an interview of the subject, made the astonishing statement that one reason why so many applicants for insurance are rejected is because kidney trouble is so common to the American people, and the large majority of those whose applications are declined do not even suspect that they have the disease. Dr. Kilmer's Swamp-Root is on sale at all drug stores in bottles of two sizes, medium and large.

However, if you wish first to test this great preparation send ten cents to Dr. Kilmer & Co., Binghamton, N. Y., for a sample bottle. When writing be sure and mention this paper. (adv.)

A CLEAR COMPLEXION

Buddy Cheeks—Sparkling Eyes—Most Women Can Have

Says Dr. Edwards, a Well-Known Ohio Physician.

Dr. F. M. Edwards for 17 years treated scores of women for liver and bowel ailments. During these years he gave to his patients a prescription made of a few well-known vegetable ingredients mixed with olive oil, naming them Dr. Edwards' Olive Tablets. You will know them by their olive color.

These tablets are wonder-workers of the liver and bowels, which cause a normal action, carrying off the waste and poisonous matter in one's system.

If you have a pale face, hollow cheeks, a listless, no-good feeling, all out of sorts, inactive bowels, you take one of Dr. Edwards' Olive Tablets nightly for a time and note the pleasing results.

Thousands of women and men take Dr. Edwards' Olive Tablets—the successful substitute for calomel—now and then just to keep them fit. 15c and 30c

MAN INJURED BY TUMBLING SLATE

Wilson Coultas of Winchester was brought to hospital when slate from mine room falls—Meter Reader Hurt.

Wilson Coultas of Winchester was brought to Passavant hospital yesterday morning, suffering from injuries received when slate from the roof of a mine fell on his back. Coultas is a foreman in one of the small mines near Winchester. While sitting down at his work, a large piece of slate fell, striking him on the back.

The injured man was rushed to the hospital here, accompanied by Dr. J. W. Eckman. X-ray pictures of his back were taken, but no injury there was revealed. However, it is believed he may be injured in other parts of the body, and physicians have as yet been unable to locate the spot.

James Peterson, 1527 South Main street, meter reader for the Illinois Light and Power Co., was painfully burned while at his work yesterday when a piece of hot rosin dropped on his right hand. He is a patient at Passavant hospital, tho his injuries are not considered serious.

THE ETCHINGS OF GEORGE ELBERT BURR

In view of the fact that the Art Lovers of Jacksonville are to enjoy a rare treat in the exhibition of the Etchings, in black and white, by George E. Burr, a brief outline of Mr. Burr's artistic career will doubtless aid in pictures.

The human history of endeavor in the life of an artist admits his public to intimacy. They perceive the difficulties in his way and share his triumphs. They partake of his vision and see by means of his imagination.

The plates of this painter-etcher mark a distinguished achievement in the annals of American Art, for the art of the painter-etcher is exacting, and a poet who leads his ambition that way must be artist and artisan and his own severe critic.

The story of Mr. Burr's artistic career is eloquent of these things. Tho' Eastern born and trained in his art in New York and abroad, he took up his residence at the front door of the Rocky Mountains, where he began to devote himself to the serious work of an etcher. Of more importance is the fact that, in these isolated surroundings, he became one of the pioneers, in this country in the comparatively recent art of colour etching.

Though a water-colorist of no small achievement, he was always strongly attracted to etching. The Colorado atmosphere dramatic with strange phenomena in cloud formations above rugged chasms and towering mountains, offers material for inspiring work. As a painter-etcher he treats his subjects in the sense of interpretations rather than as matter of fact scenes, reducing the result to a shorthand of graphic art, rather than a sensitive transcription of architecture or landscape.

In his set of etchings of the American Desert, each print emphasizes a particular theme, "a sonnet in line" depicting the atmosphere of sun, wind and cold and contending storms above the evasive and suggestive qualities of line in etching, and is able to make it perform many beautiful and effective things. He paints and prints his etchings purely for pleasure, or as he says "because he must"—the old story of impelling genius, and he works always with the hope that others will get some joy out of it.

It is perfectly evident from his work that the obvious makes little appeal, but that poetry, color, the soul back of the mere surface appearance, is always what inspires him.

Mrs. Roxie Seabury, head of the Department of Art at the Woman's College, will lecture Friday evening on the Art of Etching and Mr. Burr's pictures.

This discussion is in very competent hands evidenced by Mrs. Seabury's achievement as an artist. A graduate of the Museum of Fine Art, Boston; Chicago Art Institute, a goodly number of years of study in the ateliers abroad and a student of Robert Reid, N. A. of the Broadmoor Art Academy, of Colorado Springs and a thorough knowledge of the art of the etcher will make it possible for her to interpret for us the examples of Mr. Burr's work on exhibition at Trinity Parish Hall Friday and Saturday.

HIGH SCHOOL FRESHMEN ON HIKE

The Freshmen class of the high school had their annual picnic yesterday afternoon. All leaving the high school at 4 o'clock, they hiked out to Mauvasterre dam, where they prepared a most delicious picnic lunch from roast weiners, pickles buns and toasted marshmallows. After the lunch the students joined in games and contests. Miss Thompson, who is the class advisor, had charge of the affair.

TWO CHICAGO SUBURBS FORM AN ART LEAGUE

CHICAGO.—(By the A. P.)—Community interest in art has enrolled nearly 500 residents of Oak Park and River Forest, two Chicago suburbs, into an Art League which has a collection of pictures of Chicago and American artists valued at more than \$50,000. The collection is now on display at the Hamilton Club here after a series of exhibits in municipal buildings, Women's clubs and the public schools.

Believing that works of art would increase in value and become a prized asset of a club, with the more important factor of such a collection's benefit to school children and others interested in art, the Oak Park and River Forest Art League was formed, one of the first in the country. Its present collection includes an Innes, a Wyant and a Rainer, several times greater in value than the original purchasing price.

A certain amount of money is appropriated each year by the club for the purchase of good works of art. In addition semi-annual sale exhibits by the artist

members of the League are held. "When the Hamilton Club took up art as an organization, it was discovered that there were more members of the Club who were members of the Art Institute than there were members of any of the club auxiliaries, who were paying a larger fee for their interest in art than they were paying for membership in any of the club activities," said Curtis B. Camm, chairman of the Art League art committee.

"It was upon this showing that the collection of the best pictures by contemporary American artists was started. The collection has been exhibited by request in

many places and shows what can be accomplished for the benefit of our school children and others in local communities along art lines."

Look in Ten Days

See the whiter teeth appear when you combat the film

Your druggist this week has 10-Day Tubes for a new way of teeth cleaning. Millions now employ it. You see its results in prettier teeth wherever you look today.

Now we urge you to learn what it means to you and yours. The test is delightful, the results are amazing. Go find them out.

The fight on film

Dental science has in late years started a fight on film. Film is that viscous coat you feel. Under old brushing methods, much of it clings and stays. Soon it becomes discolored, then forms dingy coats. That is why teeth lose luster.

Film also holds food substance which ferments and forms acid. It holds the acid in contact with the teeth to cause decay. Germs breed by millions in it. They, with tartar, are the chief cause of pyorrhea.

Fewer escaped tooth troubles, fewer had glistening teeth, under old-time brushing methods.

Now research has discovered two effective film combatants. One disintegrates the film at all stages of formation. One removes it without harmful scouring.

Able authorities proved these methods by many careful tests. Then a new-type tooth paste was created to apply them daily. The name is Pepsodent.

Careful people of some 50 nations have now come to employ it, largely by dental advice.

Night-and-day aids

Pepsodent also multiplies the alkalinity of the saliva—the neutralizer of mouth acids. It multiplies the starch digesters in the saliva—put there to digest starch deposits.

Those factors act as tooth-protecting agents. Every use of Pepsodent gives them manifold effect.

Protect the Enamel

Pepsodent disintegrates the film, then removes it with an agent far softer than enamel. Never use a film combatant which contains harsh grit.

NORTHWESTERN MEETS ILLINOIS SATURDAY

Game Will Be Played at the Cubs Ball Park in Chicago—Illinois' Famous Band to Make Trip

EVANSTON, Oct. 24.—School spirit will rise to great heights here Saturday, Oct. 27, when Northwestern and Illinois meet at the Cubs baseball park in their annual grid classic before an audience of 30,000 football enthusiasts. Both institutions are taking steps to make the occasion an exceptionally gala affair.

Illinois' famous 100-piece band is to make the trip and will perform between halves under the leadership of Director A. A. Harding. The famous block "T" will be formed by the bandmen in the middle of the field. Northwestern's musicians will also be on hand and will vie with the visiting band during the course of the afternoon.

Advance ticket sales indicate that the largest crowd that ever witnessed a Northwestern university football game in the history of the institution will be on hand. The park seats 28,000 and the management is to add 2,500 general admissions that will be put on sale at the time of the game.

There are still a number of choice seats left, according to Edward B. Davidson, ticket manager. These tickets are going fast and purchasers are urged to send in their orders at once.

Coach Thistlewaite is pounding his men thru strenuous daily practice sessions in order to have them fit and ready to take on Coach Zuppke's fast squad. Several of the regulars are limping somewhat from the result of the Chicago game but are expected to round into shape by Saturday. But little change is expected in the Purple line-up. A slight shift may be made in the backfield. Bob Weinecke's work at half this week has pleased the coach who may start him against the Illinois. Weinecke reported for practice this fall in poor condition but is rapidly rounding into form. The work of Wallie Banner at full-back against the Maroons was better than his usual performance and he will get a good workout in the coming hostilities.

FRANKLIN HIGH HAS TWO GAMES ARRANGED

On next Saturday afternoon the Franklin High school will meet the Virginia High school team on the Franklin field and a close game is anticipated. One week from Saturday the Franklin boys will go to Ashland to try their prowess against the high school at that place.

ILLINI HOMECOMING PROGRAM IS OUT

URBANA, Oct. 24.—That big battle between Chicago and Illinois in the new stadium may be the feature, but there will be a lot of other entertainment at the Illinois homecoming on November 2 and 3.

Early comers will see an interesting football game between the freshman and the varsity "seconds." This is set for Friday afternoon, when there will also be an exhibition by the famous track athletes, such as Harold Osborne, Milton Angier and Dean Brownell, and other record holders.

On Saturday night an athletic show will be staged by wrestling and boxing classes. Another feature will be the presentation of belated varsity letters to 100 old-time athletes who played before 1896 and did not receive an "I." George Kuff, Harvey Sconce, Boy Hotchkiss, and other famous athletes will be among men who walk to the platform.

HOMECOMING PROGRAM

Friday, November 2.

1:15 p. m.—Hobo parade.

2:15 p. m.—Track stars' exhibition on Illinois field. Harold Osborne, pole vaulter; Dean Brownell, pole vaulter; Milton Angier and other Illini record holders will appear.

Berlin. (A. P.)—A majority of the automobiles owned in Berlin and the property of persons between 20 and 25 years old. Youth has availed itself of the gambling chances which have presented themselves in the kaleidoscopic changes which have come in the financial situation in Germany, and most of the new rich are youngsters.

Many of them are not Germans. The fortunes earned by some of these young speculators are reported to be enormous, and their expenditures are lavish. But the methods of most of these get-rich-quick chaps are of a sort which will probably be wholly out of the picture when Berlin gets its currency stabilized.

PRACTICE SHOWS SMALL RECOVERY FROM SLUMP

URBANA, Ill., Oct. 24.—Illini football practice today showed little recovery from the tacking slump into which the Freshmen again tearing thru the varsity with their Northwestern formations.

Roberts and Crawford were again used as tackles, Oakes and Wagner, last year's regulars at these positions breaking in later in the session. Dick Hall who shared the tackle duties with Brown to date is in bad condition and a doubtful starter against Northwestern.

Dwight Follett was used for a time at end.

MEXICO TAKES STEPS TO ENFORCE DRY LAW

SAN LUIS POTOSI, Mexico. (AP)—First steps to comply with article 119 of the Constitution of 1917, which provides that all states take measures against alcoholism, have been taken by the state of San Luis Potosi. Under a law just promulgated by the retiring governor, Rafael Nieto, the establishment of new breweries and distilleries is prohibited and existing plants are enjoined from increasing their capacity.

Ten per cent of the liquor licenses granted by the municipality of San Luis Potosi will be cancelled yearly by lot, and the manufacture of liquor of high alcoholic content will be prohibited entirely after July 1, 1928. The law is being violently opposed.

Mrs. John Lambert and daughter May B. Lambert will leave Thursday for Phoenix, Arizona, for the winter. Part of the time will be spent in Tucson, Arizona.

KITCHEN CABINET TACTICS HURT BROWNS

By NEA Service.

ST. LOUIS.—From a contender to an also ran in one short year. That is the experience of the St. Louis Browns, the club that lost the American League pennant to the New York Yankees in 1922 by the scant margin of one game.

Under Lee Fohl, as manager harmony was supreme on the Browns last year. That was the dominant factor in the club's success. This year, deprived of the services of baseball's biggest star George Sisler, Fohl still kept the club in the race.

Then for some reason Fohl was let out in mid-season. The Browns have a "kitchen cabinet." Several directors of the club sit over the Brown's bench, and with the second guess at their command have made things very unpleasant for the manager. It is said that kitchen cabinet politics resulted in Fohl's dismissal.

Upon starting on the last invasion of the east, the team despite kitchen cabinet interference had an excellent chance to finish second. Then came the suspension of Pitcher Shocker. It seems the star of the staff had been promised that the club would permit him to take his wife on the last trip thru the east and pay all her expenses.

In mid-season the executive head of the club, Bob Quinn, departed, taking over the presidency of the Boston American League club. When it came time to make

HENRY CASTELLANE

Oh, girls, you just must meet Mons. Henry Castellane, halfback on the Harvard squad. Henry is one of those blue bloods George Barr McCutcheon is always writing about. Henry is a nephew of Count Boni of Anna Gould note, and is the son of Count Stanislaw Castellane of Paris. Isn't that just too thrilling for syllables!

ORIOLES AND BLUES NOW TIED IN SERIES

Each Team Has Won Four Games—Deciding Game to Be Played Today in Baltimore

BALTIMORE, Md., Oct. 24.—(By the A. P.)—Slugging their way to victory over the Kansas City Blues of the American association here this afternoon 9 to 5, the Baltimore Orioles climbed to even terms in the Junior World Series. Each club now has four victories and the ninth and deciding game for the minor league championship will be staged tomorrow.

The Orioles had on their batting clothes and hit three Kansas City pitchers—Wilkinson, Thormahlen and Safanda at opportune times. Wilkinson who started for the Blues was wild and got himself into trouble with bases on balls. Jack Ogden, Oriole righthander pitched the entire game for Baltimore and except for homers by Wright and Brief which accounted for three runs was very effective.

The Blues were the first to score getting two runs in the second inning on one hit. Baltimore tied the score in its half of the second and added two in the third and one in the fourth. In the sixth the Blues threatened for a minute when they bunched up to within one run of Baltimore by registering twice on a double by Becker and a homer over the left field fence by Brief. The Birds came right back in the seventh and Cobia, Baltimore catcher, broke up the game with a homer over the left field fence with Malsel and Sheedy on the bases.

Wright and Porter, rival shortstops, furnished the fielding fevers.

The game was played under weather conditions that were damp and disagreeable that the handful of spectators were bundled up in overcoats and wraps and Umpire Chill of the American association officiated in overcoat and gloves. The turnstiles registered only 373 admissions and the receipts amounted to \$547.

GRAIN THIEVES ACTIVE

Winnipeg. (A. P.)—Careful inspection of the floors of railway grain cars has been ordered because of the loss of vast quantities of grain through the operations of "plug thieves."

Canadian railway officials state the "plug thieves" bore holes in the floors of grain cars then allow the wheat to trickle into their sacks and thereafter plug the holes with cork.

ATTENDS MEETING OF SURGICAL BODY

Dr. A. L. Adams left Wednesday morning for Chicago, where he is attending the annual meeting of the American College of Surgeons, being held at the Congress Hotel.

ROMAN SWIMMER CLAIMS LONG DISTANCE RECORD

ROME. (AP)—The record for long distance swimming is claimed by the Roman swimmer Armando Sannibale, one of the water fans of the Tiber. Sannibale swam a distance of 100 kilometers recently, and contends that such a feat constitutes a record. The distance is roughly 60 miles, and ran on the Tiber from Rome to the sea. The time was 15 hours.

His accomplishment seems phenomenal, but it should be remembered that the Tiber is a very swiftly flowing river, the current moving at the rate of two or three miles an hour.

CHICAGO BABIES THRIVE

CHICAGO. (AP)—Chicago is four times as safe for babies as it was seven years ago, according to a report of the Infant Welfare Society of Chicago.

The death rate of one and thirty-nine one-hundredths of one per cent for August among the babies cared for by the society in 1916 was reduced to thirty-five one-hundredths of one per cent among 6,515 babies and children cared for by the organization at its 27 stations this year, said the report.

Nurses and dietitians with the society made 8,735 visits this year giving advice to mothers in the poorer districts as to proper methods of preparing food, dressing, bathing and other details of infant and child care.

Lynn Maholland of Carrollton, was in the city Wednesday to take his wife home from Passavant hospital, where she has been a patient for some time past.

Mrs. Leslie Cox and son Harold, were Franklin representatives in Jacksonville yesterday.

Big Nut Cracker by Joe Williams

Zev made a joke of the international race, but Papyrus being a Briton, was naturally slow to get it.

"Papyrus finished foaming at the mouth." How else would you expect a beer-drinking horse to finish?

Perhaps Papyrus might have done better in a steeplechase. Being used to hops as he is.

The report that Joe Beckett trained the English horse, plausible as it sounds, is probably untrue.

It was a signal victory for prohibition. You might say the horse's neck got the horse laugh.

Well, the English horse was in the lead once and that's more than you ever got to say of an English heavyweight.

There's nothing left for Zev to do but sign up for a vaudeville tour and write syndicate stories for the newspapers.

After the race Zev gave eager reporters the secret of his successful career. "I have always been good to my mother, worked hard, and led a clean and honorable life."

Zev indicates a willingness to defend his title against My Own, but insists Tex Rickard guarantee him a \$250,000 purse, fifty per cent of the picture profits and training expenses.

The American victory was due to the fact that Zev made fine use of the forward pass, was steadier on the greens, and hit when hits meant runs.

The affair was lacking in one important detail. Judge Landis was not there to toss out the first horseshoe.

Steve Donoghue is on his way home with a new brown derby to go with his gold spurs.

PIRATES AND CUBS WILL GO ON TOUR

CHICAGO, Oct. 24.—The Chicago and Pittsburgh teams of the National League will hook up in an exhibition tour, preliminary to the 1924 season, playing games in the west, President Veck of the Cubs announced tonight. The tour will be similar to the one that engaged the White Sox and the Giants last season. Representatives of the Cubs and Pirates already are on the coast to arrange the dates. The Cubs will train at Catalina Islands and the Pirates also will train in California, but the selection of the camp has not been made.

WARSHIPS VISIT SWEDEN

STOCKHOLM. (AP)—Sweden has been host to more naval visitors from foreign countries during six weeks this summer than ever before within so short a period, and the people look on these courteous attentions as a sign of growing interest in the country's trade and political position in the north of Europe.

Ten countries in all have sent war vessels to Sweden, and ten different ports, including Stockholm, Gothenburg, and Malmö, have been visited. The U. S. cruiser Pittsburgh has just left Stockholm, where its officers participated in the memorial services of the late President Harding. The U. S. battleship North Dakota also was in Swedish waters this summer.

HEARD LLOYD GEORGE BY RADIO FROM PITTSBURGH

O. F. Buffe is one of the local residents who has a radio outfit installed in his home. Last night Mr. Buffe was much interested in hearing Lloyd George's address at Pittsburgh and said that the words came with remarkable clearness.

Miss Mildred Wright was a Murrayville shopper in Jacksonville Wednesday.

COUNTERFEITERS ACTIVE

Madapest—Tempted by the high rate of exchange for American money the counterfeiters in central Europe are concentrating their talents on the dollar. The Budapest police have discovered a wholesale scheme for the distribution of genuine two dollar notes which have been cleverly transformed into two hundred dollar notes. The press that produces this transformation is supposed to be in Warsaw. Counterfeits of this sort have been found in 16 different European towns.

Mr. and Mrs. William Napier have returned to their home in Quincy after a visit at the home of Mr. and Mrs. Charles Bennett in the Cherry apartments.

PIMPLES ON FACE AND NECK

Itched and Burned. Lost Rest. Cuticura Heals.

"Pimples broke out on my face and neck. They were hard, large and red, and itched and burned causing me to scratch and irritate the affected parts. My face was disfigured for the time being, and I lost my rest as a result of the irritation. The trouble lasted about a year. I sent for a free sample of Cuticura Soap and Ointment which helped me so I purchased more and was healed, after using three cakes of Soap, together with the Ointment." (Signed) Miss Minnie Zimmerman, 809 Holloway St., Akron, Ohio, Sept. 13, 1921.

Use Cuticura for all toilet purposes.

Sample Each Free by Mail Address: "Cuticura Laboratories, Dept. E, Malden 48, Mass." Sold every where. Soap 25c. Ointment 25c. and 50c. Tubes 50c. and 75c. Cuticura Soap shaves without soap.

CHANGE OF LIFE LOSES TERRORS

For Women who Rely upon Lydia E. Pinkham's Vegetable Compound

Greenville, Pa.—"I took your medicine through the Change of Life and it did wonders for me. I was down in bed when I started to take it and weighed 95 pounds. I had hot flashes and was so nervous and weak that everything would get black and I could not see. I would sit and cry and did not know what I was crying for. Since I have been taking Lydia E. Pinkham's Vegetable Compound I feel younger than I did ten years ago, and my friends all tell me I look younger, and I owe it all to the Vegetable Compound. I do all my housework for a family of seven now. I will be glad to answer any woman who writes me in regard to my case."—Mrs. John Myers, 65 Union St., Greenville, Pa.

Many letters similar to this have been published testifying to the merit of Lydia E. Pinkham's Vegetable Compound. They are sincere expressions from women who describe as best they can their feelings before and after taking this well-known medicine.

Physical Health means Beauty!

HEALTH and beauty go hand in hand. Where the system is run down—the face drawn and haggard—the body limp and lifeless—beauty is missing. Looks of pity supplant those that might have been gazes of admiration. Restore your health and beauty will take care of itself. S. S. S.—the rich blood builder—rekindles the spark of health and lights the blaze of beauty by building red blood cells. The nerve power of your system finds life in these very blood cells. Build more red blood cells and your nerve power will increase. S. S. S. builds them. Rich blood will tingle through your system. That lost charm will return. Your entire system will be repaired. You will be ready to cope with the impurities and blemishes that handicap beauty. As physical health means beauty so, too, does S. S. S. mean beauty. For S. S. S. means systems that are free from impurities—pimples, blackheads, acne, boils, eczema, rheumatism. S. S. S. and good health go hand in hand. S. S. S. is made of pure vegetable ingredients. It is sold at all good drug stores. The large size bottle is more economical.

WOULD RESTORE THE LIBRARY OF LOUVAIN

NEW YORK—(By the A. P.)—Every woman's club in the United States is being urged to dedicate one club day between now and Armistice Day, November 11, to further the restoration of the Louvain library. The appeal is going out from Mrs. Percy V. Pennybaker, chairman of the National Committee of Women which is leading the movement. Printed programs containing an address on "Restoration of the Library of Louvain," the Belgian national anthem, and a poem, "In Flanders Now," by Edna Jacques, have been sent to over 10,000 groups of women.

"Every woman who has a part in restoring this library," declares Mrs. Pennybaker "which has been for centuries one of the great research libraries of the world, may feel that she is making a direct contribution to Belgian life, in the highest sense of that word, and is helping to create that sympathetic understanding among nations which will eventually lead to peace."

The sum required to restore the library is \$1,000,000 of which approximately one-half has been given or pledged. The purpose of Mrs. Pennybaker's committee is to see that the gifts from American women are co-ordinated into definite memorials.

RADIO GIVES NEWS OF MURDER

Belfast—(A. P.)—While listening in recently at Cookstown, County Tyrone, to wireless news from London, relatives of Colonel William Macmillan Kennedy, who held an Indian appointment, first heard of his murder on a train near Calcutta.

Good buying support was forthcoming for such pivotal stocks as U. S. Steel, American Can, Baldwin and Studebaker, which closed practically unchanged on the day but operators on the long side of the market showed little disposition to lift them out of the narrow area in which they have been moving.

Marked strength was shown today by a number of specialties particularly Congoleum which jumped nearly 8 points to a new top on rumors of a 300 per cent stock dividend in the near future.

New York prices also were established by tobacco products. A May department stores and West Penn power seven per cent preferred. Fresh weakness cropped out, however, in Famous Players, American Sugar and Coca-Cola preferred.

Fisher body sold 20 points below its previous quotation. Trading in the liberty bond issues of the American government continued active and gains ranged from 1-1/2 to 5-3/4 of a point.

Total bond sales (par value) \$3,888,990.

Market Report

By The Associated Press

DAY'S STOCK MARKET IS RELATIVELY QUIET

FINANCIAL
Total stock sales 551,000 shares.
Twenty industrials averaged \$7.12; net loss .21.
High 1923: 105.38; low \$6.92.
Twenty railroads averaged \$1.10; net gain .08.
High 1923: 90.51; low 79.53.

NEW YORK, Oct. 24.—Except for some sharp recessions in the copper stocks and low priced northwestern railroad carriers, many of which dropped to new low levels for the year, stock prices moved within a restricted trading area in today's relatively quiet market.

Liquidation of the coppers was based on reports that few of the companies were able to operate at a profit at the existing price of the red metal. One dozen shares in this group either broke to new bottom prices or duplicated previous ones among them American Smelting, Anaconda, Kennicott, Utah and Inspiration, the next losses averaging about a point each.

St. Paul issues were heavily depressed in speculative expectation of a poor September earnings statement, the common dropping to 2 1/2 to 1 1/2, and the preferred 1 1/2 to 2 1/2, each at new lows. Missouri Pacific common and preferred and Chicago & Northwestern also broke thru their previous resistance points.

WHEAT DEMAND GOOD OFFERINGS SCARCE

CHICAGO, Oct. 24.—Demand for cash wheat today was good. Offerings were scarce. Prices finished 1c better. Premiums and discounts were unchanged on all grades. Shipping sales here were 5,000 bushels. Receipts inspected 136 cars.

Cash corn met with a better demand today and the market closed unchanged to 1c higher. Twenty cars of new corn were on the market largely sample, held from 54 to 87c or three cents easier than yesterday. Shipping sales here were 25,000 bushels. Receipts inspected 136 cars.

Oats closed with a good demand and prices were 1c better. Premiums were 1c better for No. 2 white and 1/2 to 3c better for No. 3 white. Shipping sales here were 5,000 bushels. Receipts inspected 59 cars.

Good buying support was forthcoming for such pivotal stocks as U. S. Steel, American Can, Baldwin and Studebaker, which closed practically unchanged on the day but operators on the long side of the market showed little disposition to lift them out of the narrow area in which they have been moving.

Marked strength was shown today by a number of specialties particularly Congoleum which jumped nearly 8 points to a new top on rumors of a 300 per cent stock dividend in the near future.

New York prices also were established by tobacco products. A May department stores and West Penn power seven per cent preferred. Fresh weakness cropped out, however, in Famous Players, American Sugar and Coca-Cola preferred.

Fisher body sold 20 points below its previous quotation. Trading in the liberty bond issues of the American government continued active and gains ranged from 1-1/2 to 5-3/4 of a point.

Total bond sales (par value) \$3,888,990.

WEATHER REPORT FROM GREENE COUNTY

First Killing Frost of Autumn is Recorded by Weather Station at White Hall.

White Hall, Oct. 23.—The first killing frost of autumn was recorded by the weather station Monday morning, according to the weather and crop report for the week ending Monday. This has called the farmers to the work of shucking corn, most of which is being shucked from the stalk, while considerable quantity is to be hogged down. The quantity will turn up short. Little of the corn has been cut because of the labor shortage. Some winter wheat is up and in excellent condition. The acreage will be about as usual, early predictions of shortening the acreage not being well founded, locally at least.

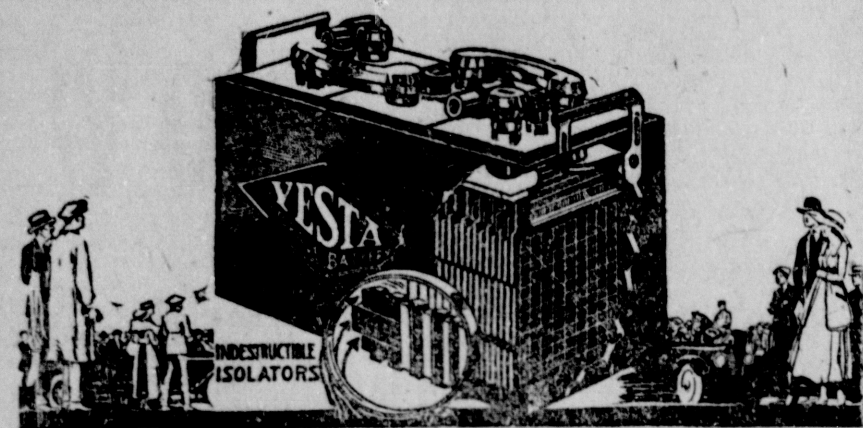

The lowest temperature reading for the week was 25 degrees on the 22nd and the highest 70 on the 16th, the average being 50.4 degrees. There were 2.03 inches

of rain that followed an inch at the close of the previous week, and this was relieved by the advocates of a supply of water for the city reservoir, as in increased the stage by four inches, giving an ample supply until the work of connecting with the Roodhouse reservoir can be accomplished during the present week.

The apple harvest will continue during the present month, after which it is hoped that some of the female labor engaged in sorting will be available to meet the serious demand for help in the new knitting mills. This shortage of female help is seriously retarding the full development of the textile business in White Hall, and there has been a rumor of danger of losing the knitting mills if there is not an early improvement. W. F. Houchin is also experiencing a shortage in his overall factory.

Miss Effie Markville was in the city from Winchester yesterday.
